Incubation Programme  
دائرية، تفاعلية، إبتكارية

Iraq 2020/2021

Launch your Waste Business Idea

**Wastepreneur** is a one year support programme offered to innovators in the waste management sector in Iraq.

To the participants we offer:

- ✓ support in developing their own business idea in the waste sector,
- ✓ coaching and consulting by senior experts,
- ✓ access to an extensive regional and international network of professional experts and
- ✓ access to funding and logistic support beyond incubation.

**Who can participate?**

- ✓ Age between 18-35
- ✓ Residing in Mosul or Basrah
- ✓ Good command of English is an advantage, but not mandatory (trainings held in Arabic and English)
- ✓ Clear & innovative solution that will contribute to solving waste management challenges in Mosul and Basrah in specific, and Iraq in general.
